Sexuality and Sexual Health Journals from Routledge

ROUTLEDGE, the social & behavioral sciences division of Taylor & Francis, is dedicated to the dissemination of academic and professional information, utilizing skills and expertise honed since the company first began publishing learned journals in 1798. Today, we publish more than 1,500 scholarly journals in association with 460 societies and institutions.

Our publishing team is truly international. With a network of 20 global offices – including Philadelphia, Oxford, Melbourne, Beijing, New Delhi, Stockholm, Johannesburg and Singapore – we provide local support and expertise around the globe.

We have played a major role in the internationalization of research, publishing groundbreaking work across disciplines from scholars including Bertrand Russell, Claude Lévi-Strauss, Sigmund Freud, Carl Jung, Jean-Paul Sartre, Jacques Derrida, Michel Foucault, Herbert Marcuse, Karl Popper, Albert Einstein, Max Weber and Iris Murdoch.

Routledge is the world's foremost sexualities publisher, creating and expanding a dynamic, diverse, and authoritative portfolio that features long-established journals such as *The Journal of*

Sex Research, *Journal of Homosexuality*, *Journal of Sex and Marital Therapy* as well as newer highly regarded additions such as *Culture, Health & Sexuality*, *International Journal of Sexual Health*, and our newest launch, *Psychology & Sexuality*. Quality of the content and professional as well as academic reach are priorities – many of the titles in the portfolio are indexed in MEDLINE and the Social Science Citation Index. We remain committed to investment in sexual health and sexual diversity in today's fast-moving research and practice environments.

We are proud to publish journals in collaboration with many prestigious learned societies and professional associations – including the Society for the Scientific Study of Sexuality, College of Sexual and Relationship Therapists, the National Organisation for the Treatment of Abusers, the World Association for Sexual Health, and the Association of Lesbian, Gay, Bisexual and Transgender Issues in Counseling.

The provision of new, innovative products and services, delivered at the cutting edge of technology, is central to Routledge's publishing ethos.
