

## Medicine, Conflict and Survival Press Release

### Iraqi Children's Rights: Building a System Under Fire

The situation in Iraq is too well-known to require much explanation. In the rebuilding of the country, investment in young people must be seen as a priority. With the re-establishment of civil society, the protection, under law, of vulnerable children and adolescents must be seen as urgent in order for Iraqi society to take this opportunity to build securely for its future.

**Abdul Kareem AIObaidi, Linda R. Jeffrey, Leslie Scarth and Ghazwan Albadawi**, 'Iraqi Children's Rights: Building a System Under Fire', *Medicine, Conflict and Survival*, vol. 25, no. 2, April-June 2009, pp. 148-165.
