

Canadian Journal of Plant Pathology

*Journal of the Canadian Phytopathological Society/
Revue de la Société Canadienne de Phytopathologie*

We would like to offer you free online access* to a selection of the articles chosen by the journal's Editor **Zamir K. Punja**. To take advantage of this offer simply click on the links below.

Minireview/ Minisynthèse The wheat/*Pyrenophora tritici-repentis* interaction: progress towards an understanding of tan spot disease

Lakhdar Lamari & Stephen E. Strelkov
Volume 32, Issue 1, 2010, Pages 4 - 10

The interaction of avirulence and resistance gene products in flax rust disease – providing advances in rust research

A. -M. Catanzariti, P. N. Dodds, J. G. Ellis & B. J. Staskawicz
Volume 32, Issue 1, 2010, Pages 11 - 19

Improving blackleg disease management of *Brassica napus* from knowledge of genetic interactions with *Leptosphaeria maculans*

H. R. Kutcher, F. Yu & H. Brun
Volume 32, Issue 1, 2010, Pages 29 - 34

Dissecting plant defence signal transduction: modifiers of *snc1* in *Arabidopsis*

Jacqueline Monaghan, Hugo Germain, Tabea Weihmann & Xin Li
Volume 32, Issue 1, 2010, Pages 35 - 42

Clubroot of cruciferous crops – new perspectives on an old disease

Ronald J. Howard, Stephen E. Strelkov & Michael W. Harding
Volume 32, Issue 1, 2010, Pages 43 - 57

Root diseases in forest ecosystems

Gaston Laflamme
Volume 32, Issue 1, 2010, Pages 68 - 76

Histopathology of internal fruit rot of sweet pepper caused by *Fusarium lactis*

Yalong Yang, Tiesen Cao, Jian Yang, Ronald J. Howard, Prem D. Kharbanda & Stephen E. Strelkov
Volume 32, Issue 1, 2010, Pages 86 - 97

Development of EST-derived simple sequence repeat markers for wheat leaf rust fungus, *Puccinia triticina* Eriks

Xiben Wang, Barbara Mulock, Bakkeren Guus & Brent McCallum
Volume 32, Issue 1, 2010, Pages 98 - 107

Characterization of *Fusarium* colonization of spring barley and wheat produced on stubble or fallow soil

A. V. Sturz & H. W. Johnston
Volume 7, Issue 3, 1985, Pages 270 - 276

Verticillium wilt of potato in southwestern Ontario and survival of *Verticillium albo-atrum* and *V. dahliae* in field soil

C.D. McKeen & H.J. Thorpe
Volume 3, Issue 1, 1981, Pages 40 - 46

*Offer ends 31/07/2012
